

# ARE YOU OUR NEXT ACCOUNTING INTERN?

Do you have a passion for numbers, finances, and agriculture? Are you someone who enjoys building relationships with a team and providing solutions to farmers? Do you want to learn alongside industry leaders in a friendly and positive work environment?

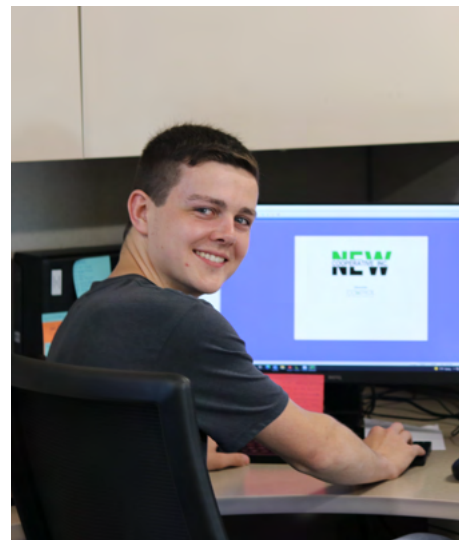

If so, we want to talk to you.

NEW Cooperative is a leading agricultural cooperative providing innovative solutions and services to our customers in North, Central, and Western Iowa. We're seeking the right individual to join our team as a summer Accounting Intern. You'll be a part of the accounting team in our Fort Dodge, Iowa office and learn hands-on from professionals in the world of business and finance.

As the accounting intern, you will assist with the activities of a variety of teams in the department, which may include **accounts payable and receivable, credit, inventory procurement and cost management, budgeting, financial reporting, legal/compliance, and more.** You will also learn how the accounting team is connected to the other departments of NEW Cooperative, such as grain, agronomy, and energy. **No two accounting internships at NEW are ever the same, and the specifics of the internship are dependent on what projects are happening during your summer!**

- 8000 members
- 750 full-time team members in 12 departments
- 60+ locations in 19 Iowa counties
- Celebrating 50 years in 2023

NEW Cooperative is committed to providing the valuable learning experience that takes place in a successful internship. As part of your internship experience, you will be assigned a project(s) to plan and complete, which may include conducting research, interviews and testing ideas. This is your opportunity to learn hands-on! The topic of the project will be determined based on your interests and available opportunities within the company. Other opportunities and experiences will also occur, which may include:

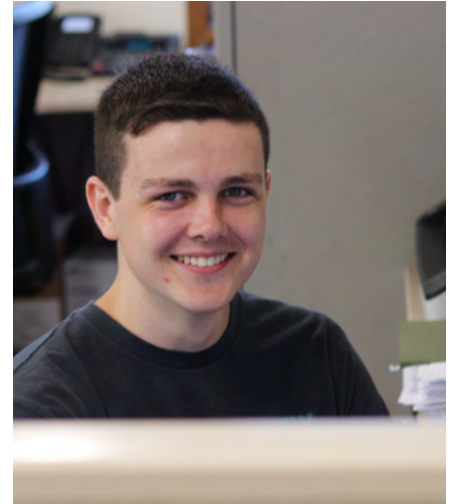

- **Actively-involved mentor**
- **Comprehensive company onboarding and safety training**
- **Internship-specific training**
- **Job shadows** with the accounting, finance, and credit teams
- **Networking with company and industry leaders**
- **Job shadows** in other departments as desired, including grain, agronomy, energy, feed, and operations
- **Industry tours, field trips, and outings** with fellow NEW interns
- **Other learning opportunities** as time and your interests allow

It is vitally important that you are team-oriented, hard working, and have strong communication, leadership and time-management skills. Applicants must have a valid driver's license and should be working towards a 2-year or 4-year college degree in accounting, finance, agricultural business, or related fields. Preference is given to applicants who are working towards earning their Certified Public Accountant (CPA) license. You do not need to have past accounting experience, but you must have a strong willingness to learn throughout the summer!

Accounting interns can anticipate a competitive hourly wage with paid overtime. Previous accounting interns at NEW have earned \$7500-\$11,000 during their internships! This position also offers competitive benefits, including:

- **Not from the area?** Ask about our housing assistance options!
- **Uniform allowance**
- **Access to company vehicle, as needed**
- **Laptop/Computer**
- **Reasonable time-off requests accommodated**

This is your opportunity to join the NEW Cooperative team and maximize your learning opportunities!

*“My internship at NEW is letting me explore another avenue of my degree and better define what I would like to do with my future.”*
